USED EQUIPMENT

Your Cat dealer carries a wide variety of used equipment from Caterpillar and other manufacturers. When you buy a Caterpillar Certified Used Machine, you know that your Cat dealer stands behind it and provides:

- A thorough inspection
- Unmatched knowledge of Cat machines
- Unbeatable service and product support
- Financing
- Machine maintenance history
- Extended coverage options available

Count on Cat Certified Used Equipment and know what you're getting.

RENTAL

Renting equipment or attachments for short term or specialized jobs is often the most efficient option for landscape contractors.

At The Cat® Rental Store, you'll get quality equipment that's ready to go to work. You'll also find a variety of other offerings like hand tools, walk-behinds, pumps, generators and heaters for a one-stop rental source.

Contact your local Cat Rental Store for the complete line card and more information.

FINANCING

Talk with your Cat dealer about flexible finance options, including the Cat AccessAccountSM. Whether you work with one Cat dealer or several, the Cat AccessAccount gives you one account and one statement for all your parts, service and rental transactions.
